

**We're looking for one or more digital media volunteers to help us with any or all of the following:**

- **Amending and updating our existing website**
- **Developing a new website under our new umbrella name**
- **Building and maintaining our presence across social media platforms**

**The time commitment is flexible, as is what you can offer, but it's vital you're in empathy with our aims and values.**

**Contact us for a role description or just an informal chat. You can reach us by phone, e-mail or via our website:**
